

THE DVD'S ARE READY!

Dear Friend or Attendee of the Sarah McCullagh Pom Pon Clinic:

The 9th Annual Sarah Grace Lydia McCullagh Memorial Pom Pon Clinic was held February 9th, 2008.

From the proceeds of the 2008 clinic, we presented three \$1000 Sarah McCullagh Memorial Scholarships to seniors Stephanie Tate, Jenae Cherry and Autumn Hoey at the Senior Academic Awards Assembly. We also presented the Sarah McCullagh Spirit Award and \$100 cash award to Stephanie Tate.

In addition, the Woodstock High School Pom Pon squad received \$1000 to help defray the substantial costs of their competitions over the next 6 months.

Karen Robbins Photography donated the day photographing the activities and offers her work for your enjoyment and for holiday gifts. Visit her gallery at <http://www.collages.net>, username: sarah2008, and password: 14224

Volunteers Eric Rossi, Sarah Gersh and an old friend of Sarah's, Sara Wolff, videotaped the day's events and prepared the DVD for us.

We are pleased to offer this DVD for \$10 postpaid, with profits rolling into next year's clinic, to be held Saturday, February 17th, 2007, at Woodstock High School.

We have DVDs in stock, and First Class Mail shipment will be up to three business days after receipt of your payment.

Please call Dave at 815-337-7429 or email dave@chwalisz.org to order.
